

INTERNATIONAL BIOPHYSICS SCHOOL
"ACADEMICIAN RADOSLAV K. ANDJUS" (NERKA9)

MOVING NEUROBIOPHYSICS FROM FUNDAMENTAL RESEARCH TO MEDICAL AND PHARMACEUTICAL APPLICATIONS

SEPTEMBER 6 – 10, 2024
KOTOR, MONTENEGRO

The aim of the course organized by the **Neurobiology NENS program** at the Faculty of Biology University of Belgrade is to inform graduate students of neurobiology and biophysics on the translation and transition from fundamental research on structure function relationships towards biomedical and pharma industry.

This School has been designed to put together eminent academic scientists with interests outside fundamental research and scientists working in the private sector who will share with students their successful experience.

Registration fee –100 EUR (payed on the spot) –
pre-register using contact mail.

Fellowships available for young researchers – send
CV and Motivation letter to contact e-mail.

Deadline June 15th, 2024
